Instructions:

1. The mentor will review the descriptions for each core competency
2. The mentor will write a brief evaluation for each competency using the following format—behavior observed, how or in what context observed, and outcomes. The mentor will then indicate strengths in the competency and areas in need of improvement. Please note that not all of the competencies have to be covered at the same time, so long as they are evaluated every two to three months.
3. The mentor will go over the evaluation with the student, explaining the rationale for all entries and answer any questions he/she may have. Once completed, the mentor and the student will initial each item. The date of the evaluation will be written in the appropriate column.
4. The evaluation should be conducted regularly over the course of the 6 to 12 month internship period. A copy of the evaluation will be kept by the mentor, a copy given to the student, and the original sent to the Credentialing Registrar:

*Diocese of the Western Gulf Coast
 HopePointe Anglican Church Campus
 3333 So. Panther Creek Dr.
 The Woodlands, TX 77381
 ATTN: Credentialing Registrar*

5. This internship process is to be completed prior to becoming a Candidate.
